

UF HEALTH NEUROSURGERY CLINICAL FACULTY

Brian L. Hoh, MD, MBA, FACS, FAHA, FAANS

Neurosurgeon / Professor / Chair of Neurosurgery

Special Interests: Aneurysms, AVMs, Cerebrovascular Disease, Stroke, Moyamoya Disease, Brain Tumors

Email: brian.hoh@neurosurgery.ufl.edu

Jason E. Blatt, MD

Neurosurgeon / Assistant Professor

Special Interests: Pediatric Neurosurgery

Email: jason.blatt@neurosurgery.ufl.edu

Nohra Chalouhi, MD

Neurosurgeon / Assistant Professor

Special Interests: Aneurysms, AVMs, Cerebrovascular Disease, Stroke

Email: nohra.chalouhi@neurosurgery.ufl.edu

Matthew Decker, MD, MBA, MPH

Neurosurgeon / Assistant Professor

Special Interests: Complex Spine Surgery, Minimally Invasive Spine Surgery

Email: matthew.decker@neurosurgery.ufl.edu

Kelly D. Foote, MD

Neurosurgeon / Professor

Special Interests: Movement Disorders and Deep Brain Stimulation,

Brain Tumor Surgery, Radiosurgery

Email: foote@neurosurgery.ufl.edu

William A. Friedman, MD

Professor and Chairman Emeritus

Special Interests: Neuro-oncology, Brain Tumor Surgery, Trigeminal Neuralgia, Radiosurgery

Email: friedman@neurosurgery.ufl.edu

Ashley P. Ghiaseddin, MD

Neuro-Oncologist / Assistant Professor

Special Interests: Glioblastoma, Lymphoma, Quality Assurance

Email: ashley.ghiaseddin@neurosurgery.ufl.edu

Lance Governale, MD

Neurosurgeon / Associate Professor / Chief of Pediatric Neurosurgery

Special Interests: Pediatric Neurosurgery

Email: lance.governale@neurosurgery.ufl.edu

Sridharan Gururangan, FRCP (Edin.)

Neuro-Oncologist / Professor / Director of Pediatric Neuro-Oncology

Special Interests: Neuro-cutaneous syndromes including neurofibromatosis type I and II, and tuberous sclerosis, Genetic disorders leading to brain tumors

Email: gururangan@ufl.edu

Daniel Hoh, MD

Neurosurgeon / Associate Professor

Special Interests: Minimally Invasive and Complex Spine Surgery, Spinal Cord Regeneration,

Neurologic Rehabilitation

Email: daniel.hoh@neurosurgery.ufl.edu

R. Patrick Jacob, MD

Neurosurgeon / Professor

Special Interests: Complex Spine Surgery, Minimally Invasive Spine Surgery

Email: jacob@neurosurgery.ufl.edu

Gregory J.A. Murad, MD, FAANS

Neurosurgeon / Professor / Residency Program Director

Special Interests: General Adult Neurosurgery, Brain Tumor Surgery, Minimally Invasive and Complex Spine Surgery

Email: murad@neurosurgery.ufl.edu

Adam Polifka, MD

Neurosurgeon / Assistant Professor

Special Interests: Subarachnoid Hemorrhage, Cerebrovascular Surgery, Endovascular Surgery, AVM, Spinal Trauma, Stroke, Complex Spine Surgery

Email: adam.polifka@neurosurgery.ufl.edu

Maryam Rahman, MD, MS

Neurosurgeon / Assistant Professor

Special Interests: Gliomas, Brain and Skull Base Tumors, Brain Tumor Surgery

Email: maryam.rahman@neurosurgery.ufl.edu

Steven N. Roper, MD

Neurosurgeon / Professor

Special Interests: Epilepsy Surgery, Surgery for Pituitary Tumors, Epilepsy Research

Email: roper@neurosurgery.ufl.edu

Elias Sayour, MD, PhD

Neuro-Oncologist / Associate Professor

Principal Investigator, UF Brain Tumor Immunotherapy Program, RNA Engineering Laboratory

Special Interests: Brain Tumors in Children

Email: elias.sayour@neurosurgery.ufl.edu

Siva Sriharan, MBBCh

Adjunct Assistant Professor

Special Interests: Spinal Neurosurgery

Email: ssriharan@ufl.edu

David D. Tran, MD, PhD

Neuro-Oncologist / Associate Professor / Chief of Neuro-Oncology

Special Interests: Neuro-Oncology, Brain Metastasis, Cancer Genomics

Email: david.tran@neurosurgery.ufl.edu

UF HEALTH NEUROSURGERY AT HALIFAX HEALTH

Patrick Han, MD

Neurosurgeon / Medical Director, UF Health Neurosurgery – Halifax Health

Special Interests: Cerebrovascular Surgery, Endovascular Surgery, Spinal Surgery,

Neuro-Oncology, Brain Tumor Surgery

Email: patrick.han@neurosurgery.ufl.edu

Jacques N. Farkas, MD, FAANS, FACS

Neurosurgeon / Associate Professor

Special Interests: Neurotrauma, Spinal Surgery, Brain Tumors

Email: jfarkas@ufl.edu

Rohit K. Khanna, MD

Neurosurgeon

Special Interests: General Adult Neurosurgery

Email: rohit.khanna@ufl.edu

Saravanan Karuppiyah, MD, FAANS

Neurosurgeon

Special Interests: General Adult Neurosurgery

Email: saravanan.karuppiyah@neurosurgery.ufl.edu
