

# University of Florida Continuing Medical Education and the Department of Neurosurgery

is honored to present

## Maryam Rahman, MD, MD, FAANS

Assistant Professor

Lillian S. Wells Department of Neurosurgery

UF Brain Tumor Immunotherapy Program

UF Health Shands Hospital

## “Cancer Immunology”

Release Date: July 1, 2020

Expiration Date: June 30, 2022

Online Registration: [neurosurgery.ufl.edu/braincme/](https://neurosurgery.ufl.edu/braincme/)

### Learning Objectives:

1. Participants will be able to describe the role of the immune system in cancer prevention.
2. Participants will be able to understand how immunoediting leads to tumor escape mechanisms.
3. Participants will be able to describe the three immune phenotypes that lead to cancer growth.

### Target Audience:

This lecture is attended for primary care physicians, specialty physicians, physician assistants and nurses.

### Accreditation:

The University of Florida College of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

### Credit:

The University of Florida College of Medicine designates this enduring material for a maximum of .25 *AMA PRA Category 1 Credit™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

### CME Planning Committee Disclosure:

Conflict of interest information for the CME Advisory Committee members can be found on the following website: <https://cme.ufl.edu/disclosure/>.

### Faculty Disclosure:

Dr. Rahman has disclosed that she has no relevant financial disclosures. No one else in a position to control content has any financial relationships to disclose.
